

# Statistical Summary: Throughput Mean & Variance

| Backend     | Population | Generations | Throughput_Mean | Throughput_Variance |
|-------------|------------|-------------|-----------------|---------------------|
| Alpaka CUDA | 50         | 500         | 5631.33         | 5861.73             |
| Alpaka CUDA | 50         | 1000        | 6265.71         | 432.95              |
| Alpaka CUDA | 50         | 2000        | 6583.29         | 131.71              |
| Alpaka CUDA | 50         | 5000        | 6793.49         | 71.51               |
| Alpaka CUDA | 100        | 500         | 6276.16         | 82.61               |
| Alpaka CUDA | 100        | 1000        | 6603.57         | 6.34                |
| Alpaka CUDA | 100        | 2000        | 6775.83         | 12.30               |
| Alpaka CUDA | 100        | 5000        | 6891.48         | 9.32                |
| Alpaka CUDA | 200        | 500         | 7168.48         | 237.66              |
| Alpaka CUDA | 200        | 1000        | 7380.98         | 9.89                |
| Alpaka CUDA | 200        | 2000        | 7485.50         | 18.31               |
| Alpaka CUDA | 200        | 5000        | 7547.93         | 44.54               |
| Alpaka CUDA | 500        | 500         | 7822.33         | 650.60              |
| Alpaka CUDA | 500        | 1000        | 7929.38         | 2.11                |
| Alpaka CUDA | 500        | 2000        | 7978.73         | 65.31               |
| CUDA Native | 50         | 500         | 525.69          | 0.08                |
| CUDA Native | 50         | 1000        | 528.90          | 2.99                |
| CUDA Native | 50         | 2000        | 529.48          | 6.65                |
| CUDA Native | 100        | 500         | 528.62          | 0.03                |
| CUDA Native | 100        | 1000        | 529.51          | 5.15                |
| CUDA Native | 200        | 500         | 529.54          | 11.05               |
